employ their surplus funds, even at the current low rates.

Foreign exchange firm at 4.85.14 a 4.85.1-2 for bankers sixty-day bills, and 4.86.1-4 for demand.

The declaration of the usual dividend by the New Yory Central, which exploded another canard on which the bears have been operating for a week or more, had a favorable effect on speculation. Prices advanced, and there were moderate purchases for both accounts. The Grangers were especially firm. Distillers alone ruled heavy and declined under large sales to the lowest figures ever touched.

N. Y. CENTRAL'S DIVIDEND. One and a Fourth Per Cent. De-

clared Payable on Oct. 15. The New York Central directors this orning declared the regular quarterly morning declared the regular quarterly dividend of 11-4 per cent., payable Oct. 15. Transfer books close Sept. 29 and reopen Oct. 16. The statement for the quarter ending Sept. 30 shows gross earnings of \$10,322,000; operating expenses, \$17,184,000; net earnings, \$3,738,000; charges, \$2,635,000, and proft, \$90,000.

The dividend just declared calls for \$1,193,000, making the deficit for the quarter \$80,000.

Wall Street Notes.

For the third week of September the St. Louis, Southwestern road earned \$56,400, au in-crease of \$15,000, and Baltimore & Ohio South-western, \$185,145, an increase of \$1,506 The Central & South American Telegraph Company has declared a quarterly dividend of 1% percent, payable Gct. 2.

The Mexican relegraph Company has declared a quarterly dividend of 2% per cent., payable Oct. 10. For August the Northern Central road reports gross earnings of \$596,723, an increase of \$72,741, and for eight months ended Aug. 31, gross. \$3,793, 788, a decrease of \$232,505, and net \$1,720,461, a decrease of \$238,452.

It is stated that a circular will be issued shortly to Colorado Midhand security holders by the Com-mittee formed some time ago, to pratest their interests. The circular will request homboliders not to give assent to any plans proposed by the Atchison Committee. There is some talk of ask-ing for separate receivers for the road.

THOUGHT HE HAD TO WEAR IT.

Life-Preserver Kept a Steamboat Passenger Awake.

Capt. Westfall was, until seven years ago, commander of a steamboat plying on the Ohio River. The captain happened to be on deck about midnight, when a young fellow came dashing out if his room with a dissatisfied look on his face. Of course, the captain wanted him to be comfortable, and went up to him, says the Louisville Courier. They traversed the house from garret to cellar, finally found a stray dog stratch.

Journal.

"What's the marter?" he asked.
"San't sleep," was the answer.
"Why, are you sick?"
"No; but I can't go to sleep with one of those—things on," the man grum-

What things? "One of those circular life-preservers."

"What in the world did you get into ne of those circular life-preservers to invest in a few bouler of Month." one of those for?"
"What did I do it for?"

"Yes."
"Why, isn't it the rule of the boat that passengers are not allowed to go to bed without having on one of those concerns?" concerns?"
The captain smiled. "You've been worked," said he.
"What!" he gasped, shame-facedly. worked," said he.
"What!" he gasped, shame-facedly.
"A cousin of mine warned me when I left home to be sure and put on a lifepreserver or you wouldn't let me ride.
The young man slipped back into the stateroom and the captain did not hear from him further.

Diphthena r because your system will readily throw of these complaints from him further.
